Hi Sonja...jury came back guilty today on [REDACTED]...took them about 40 minutes. Yay! Thank you for your help...I only called 2 witnesses, you and Officer Mike Goggins. [REDACTED] was sentenced to 5 years state prison. Great job!!!!

So do you want me there at 2 (or a little before)?

If we get started at a decent time, I expect I would need you in the afternoon after lunch. It would take some time to pick a jury, but that wouldn't take more than a few hours.

Works for me. Since there are only two police officers scheduled to testify before me, do you want me there at a specific time, or just have me on call? Thanks.

Ok, that sounds great...there are only 2 police officer witnesses on this case, so I expect that the case will go quickly. We may be able to finish everyone all in 1 day. I can certainly call you right after the officers to free you up for Tuesday and if that works, you'd be all set for the 23rd.

Hi Eileen-

The only day next week that I may have a conflict with would be the 23rd as I am suppose to be in New Bedford that day. Lately we've actually been 'on call' for them, but if I warn them about your Superior Court case, I'm sure that something could be worked out to accommodate the both of you.

Hi Sonja,
Good ole Alfred Andrews will be coming up for trial next week on Monday, August 22. I just got word from the clerk in that trial session. Is that ok for you?

I faxed the packet again, this time with success. Enjoy ☺

Sounds great! (I quoted the doofus defense attorney) Thanks Sonja!

If by "the write-up on the underlying data associated with the analysis on this case" you mean a discovery packet, no problem. If not, let me know. I'll probably be able to get it done this morning and I shouldn't have any trouble faxing it to you (by first glance, it doesn't look like it will be that lengthy).

Hi Sonja,

This case is coming up for trial, but it probably won't be until after the July 4th week. Could you send me the write-up on the underlying data associated with the analysis on this case? The defense counsel asked for it, but very late...the judge was not happy with him but asked that I make an effort to get the documents as soon as I could. I think you faxed it to me the last time (#781-4745). I'll keep you posted on the next date. Thanks!

Hope all is well.
